About Me

I'm Artemii Zemlyanukhin, a dedicated professional specializing in international business and foreign economic activities. With over 2.5 years of experience in data analysis, business process optimization, and client relationship management, I am well-equipped for the role of Manager for Foreign Economic Activities.

At Teplo Prostranstvo, I established efficient processes, significantly boosting revenue and business stability. My stint as a Junior Marketing Intern at Versus.legal sharpened my skills in data analysis and marketing communication.

I hold a degree in international business from the Higher School of Economics and possess advanced English proficiency (IELTS B2). Known for my analytical thinking and problem-solving skills, I am eager to contribute to the success and growth.
